Swinging Pinkies Bubbling Skin Veil

Description:

“Swinging Pinkies Bubbling Skin Veil” is a bubbling mask that provides long-lasting hydration and freshness while Fiflow® BB 61 WW, combined with Creasurf® BB, gives a surprising bubbling effect. After a few minutes, the skin is visibly more smooth, blurred and radiant.

Key ingredients:

- Fiflow® BB 61 WW combines visible anti-wrinkle with visual bubbling effect. The activity of Fiflow® BB 61 is based on the materials' gas carrying capacity to oxygenate the skin effectively.
- Creasurf® BB is a soft and mild surfactant that purifies the skin and provides a bubbling effect.
- Micromatrix® Fractile AN is based on natural polysaccharides. It forms a micro thin film, which creates a strong soft focus effect and a sensation of coolness upon application. Thanks to its polymeric matrix structure, Micromatrix® Fractile AN provides a good skin hydration and a long-lasting smooth after-feel.
