

NBF® Geopark Serum for Neck & Front ISO 16128

Description :

"Nordic Beauty Finlandia® Geopark Serum for Neck & Front ISO 16128" is a skin care product based on natural ingredients that come from Karvia Geopark, in Finland. Nordic Beauty Extracts combined with Hydrasoft® Sea HV increase skin microcirculation and hydration, resulting in an energising and anti-aging effect. Nordic Beauty Brassica Finlandia protects the skin from dehydration. This serum is ideal to take care of neck and front skins, which are particularly exposed to environmental aggressions during these Covid times.

Key ingredients :

- Nordic Beauty Bilberry Extract is a natural cosmetic ingredient that concentrates all the benefits of bilberry (*Vaccinium myrtillus*). It is a rich source of phenolic components, organic acids and vitamins. Thanks to its high percentage of antioxidants, it protects the skin from premature aging and increases its elasticity.
- Nordic Beauty Peat Extract is a natural cosmetic ingredient that is based on Nordic peat. It is rich in trace elements, amino acids, vitamins and fatty acids, which are bioavailable to the human body. Thanks to its high quantity of antioxidants, it combats free radical damage, boosts collagen production and improves cell turnover.
- Nordic Beauty Brassica Finlandia is a natural cold processed oil that offers all the benefits of rapeseed. Rich in essential fatty acids, vitamins, lecithin and phytosterols, Brassica Finlandia deeply moisturises, repairs and softens the skin.
