

Nordic Beauty Finlandia Regenerating Cure

Description :

"Nordic Beauty Finlandia Regenerating Cure" is a natural and powerful skin care product that was designed for mature skin. Nordic Beauty Berry Extracts, combined with Nordic Beauty Brassica Finlandia, hydrate, repair and smooth the skin. Novatext® Soft Focus 10 ISO 16128 blurs pores and fine lines, for a healthy and fresh looking complexion.

Key ingredients :

- Nordic Beauty Berry Extracts are natural cosmetic ingredients that concentrate all the benefits of Nordic berries. They are rich sources of phenolic components, organic acids and vitamins. Thanks to their high percentage of antioxidants, they protect the skin from premature aging and increase its elasticity.
- Nordic Beauty Brassica Finlandia is a natural cold processed oil that concentrates all the benefits of rapeseed. It is extremely rich in essential fatty acids, vitamins, lecithin and phytosterols. It deeply moisturises, repairs and softens the skin.
- Novatext® Soft Focus 10 ISO 16128 is a texture modifier that gives a soft and silky feel. It also acts as a soft focus agent and has a mattifying effect on the skin.

Ingredient	INCI Name	Qty %	Function

Procedure:
Weigh phase A and put under stirring until homogenization.
Weigh phase B and put under stirring until homogenization.
When both phases are homogeneous, put B into A under strong stirring.
When the mixture is homogenized, add phase C under stirring.
Leave under stirring for a few minutes.

Efficacy testing (2 subjects - on the hand):
Microcirculation increase of 17,5% after 5 minutes of application.
