Hydrastant Lotion

Description:

"Hydrastant Lotion" is an amazing skin care product that combines naturality and efficiency. Nordic Beauty Bilberry Extract, combined with Nordic Beauty Birch Sap, hydrates the skin and protects it from premature aging. Creanatural® BioCollagen and Hydrasoft® Moist JP provide softness and freshness upon, and after application.

Key ingredients:

- Nordic Beauty Birch Sap is a pure, bioactive fluid from the Nordic nature. It is full of vitamins, minerals, sugars and trace elements. It rejuvenates, hydrates and protects the skin from environmental pollution.
- Nordic Beauty Bilberry Extract "Vintage 2018" is a natural cosmetic ingredient that concentrates all the benefits of bilberry (*Vaccinium myrtillus*). It is a rich source of phenolic components, organic acids and vitamins. Thanks to its high percentage of antioxidants, it protects the skin from premature aging and increases its elasticity.
- Creanatural® BioCollagen is a natural product based on plant extract. It perfectly fits to the natural ideology and gives added value to formulations. It has an excellent spreadability and provides softness to formulations.
