Vitamin E	Tocopherol	DSM (Univar)	0.5
<b>Total</b>			<b>100.0</b>

**Formula NOI:** 99% Naturally Derived (ISO 16128)

### **Manufacturing Procedure:**

1) In a beaker combine oils and mix until clear & homogenous.

### **Alzo Ingredient Benefits:**

**Beantree** – Cosmos 100% naturally derived ester from castor and rapeseed oils. It is a light, dry ester that is a good alternative to silicones in skin, hair & makeup products

**Dermol M-5** – cost-effective and non-greasy triglyceride with great spreadability

**Trivent OC-G** – naturally-derived saturated triglyceride with very low viscosity and silky skin feel
